

Mark Newberger Native Seeding & Planting Project Species List 2023

1. *Achillea millefolium* – yarrow
2. *Aconitum columbianum* – Columbia monkshood
3. *Agastache urticifolia* – horsemint
4. *Agoseris grandiflora* – mountain dandelion
5. *Angelica arguta* – sharptooth angelica
6. *Asclepias cordifolia* – heartleaf milkweed
7. *Asclepias fascicularis* – narrowleaf milkweed
8. *Asclepias speciosa* – showy milkweed
9. *Balsamorhiza deltoidea* – Deltoid balsamroot
10. *Bromus carinatus* – California brome
11. *Bromus leavipes* – Chinook brome
12. *Carex hoodia* – Hood's sedge
13. *Castilleja miniata* – red paintbrush
14. *Ceanactis douglasii* – dusty maidens
15. *Collomia grandiflora* – grand collomia
16. *Crepis pleurocarpa* – naked stemmed hawkbeard
17. *Cryptantha intermedia* – Common cryptantha
18. *Cynoglossum grande* – Pacific hound's tongue
19. *Dasiphora fruticosa* – shrubby cinquefoil
20. *Dieteria canescens* – hoary aster
21. *Elymus elymoides* – squirreltail grass
22. *Elymus glaucus* – blue wildrye
23. *Eremogone congesta* – ballhead sandwort
24. *Erigeron aliciae* – Alice Eastwood fleabane
25. *Erigeron bloomeri* – rayless fleabane
26. *Eriogonum compositum* – arrowleaf buckwheat
27. *Eriogonum elatum* – tall woolly buckwheat
28. *Eriogonum nudum* – barestem buckwheat
29. *Eriogonum umbellatum* – sulphur flower buckwheat
30. *Eriophyllum lanatum* – Oregon sunshine
31. *Festuca roemerii* – Roemer's fescue
32. *Gilia capitata* – bluehead gilia
33. *Helenium bigelovii* – Bigelow's sneezeweed
34. *Heracleum maximum* – cow parsnip
35. *Hieracium albiflorum* – white flowered hawkweed

36. *Ipomopsis aggregata* – scarlet gilia
37. *Kyhosia bolanderi* – Bolander's madia
38. *Lathyrus nevadensis* – Sierra pea
39. *Linum lewisii* – blue wild flax
40. *Lomatium californicum* – California lomatium
41. *Lomatium macrocarpum* – bigseed biscuitroot
42. *Lomatium nudicaule* – nineleaf biscuitroot
43. *Lonicera conjugialis* – purpleflower honeysuckle
44. *Lupinus albifrons* – silver bush lupine
45. *Lupinus albicaulis* – sicklekeel lupine
46. *Lupinus leucophyllus* – velvet lupine
47. *Lupinus latifolius* – broad leaved lupine
48. *Madia gracilis* – slender tarweed
49. *Monardella odoratissima* – coyote mint
50. *Orthocarpus cuspidatus* spp. *cuspidatus* – Siskiyou mountains owl's clover
51. *Penstemon azureus* – azure penstemon
52. *Penstemon speciosus* – showy penstemon
53. *Penstemon leatus* – mountain blue penstemon
54. *Phacelia hastata* – silverleaf phacelia
55. *Rudbeckia occidentalis* – western coneflower
56. *Sidalcea oregana* – Oregon checkermallow
57. *Silene bernardina* – Palmer's campion
58. *Solidago* sp. – goldenrod
59. *Stipa lemmonii* – Lemmon's needlegrass
60. *Symphotrichum foliaceum* – leafybract aster
61. *Turritis glabra* – Tower rockcress
62. *Wyethia angustifolia* – narrowleaf mule's ears
63. *Xerophyllum tenax* - beargrass
